## I Fratelli Barbera d'Asti Superiore 2016

*Consistency: 32 - Balance: 31 - Integrity: 30*

*Sensations: a dense and full-bodied wine due to its high and powerful concentration, where the persuasiveness of its taste prevents any aggressive palatal expression. The aromatic recall to a limpid and unoxidised fruit, shows off a roundness and softness that make its tasting silky and smooth. A majestic, harmonious, clear and strong wine in its powerful, persistent, balsamic texture.*
