Little Mermaid is a popular tale from Hans Christian Anderson. The little mermaid from the underwater kingdom fell in love with a handsome prince she saved. In order to be with him, she is willing to give up her life in the sea as a mermaid to gain a human soul. The witch gave her the human legs but took away her beautiful voice and leave her walking with excruciating pain. She endures and became the companion of the prince. However, the prince declared love and married the neighboring country princess. The little mermaid had a chance to kill the prince so to get her life back to the sea as a mermaid and reunite with her family. But the little mermaid couldn't kill the prince and instead jumped in the sea and turned into foams. She transformed into the daughter of the air and obtained an eternal soul in heaven because of her selflessness.

Value: curiosity, broadening the horizon, love, and self-sacrifice.

La Sirenetta ("the little mermaid") rosé and our latest version the sparkling rosé is made from 100% Pinot Nero grapes. It has a beautiful salmon color with fresh acidity, hints of tropical fruits flavor.

The character of the Pinot makes this Rosé an "atypical" Rosé as it has more body structure and mouthfeel than the mainstream. While Rosé is perhaps more associated with feminine qualities, this Rosé certainly has the "masculine" tone that makes it appreciated also by man.

Currently available is our Sparkling Rosé, made with "metodo classico", which will find a great balance with its fresh, fruity notes with its enjoyable rich body.
